**Dear Esteemed Clients,**

STF Shipping Limited, representing Safety, Timeliness, and Flexibility, remains committed to delivering the most secure, punctual, and adaptable services to our esteemed clients. In response to evolving market demands, we are proud to enhance our dependable and efficient Far East service, ensuring comprehensive transportation solutions for your needs to Russia.

Our augmented Far East service will start from the middle of August and will encompass ports from China, South Korea, Japan, and other Southeast Asian regions to the Far East and Russian territories. We eagerly anticipate your ongoing support.

We deeply appreciate your trust in STF Shipping Limited. Our customer-centric philosophy drives us to exceed expectations by continuously refining and upgrading our services, thereby ensuring an enhanced experience that meets your evolving requirements.

Thanks for your attention.

Warm regards,

**STF Shipping Limited**
